

Metropolitan Washington

SERVING THOSE WHO SERVE, AND THEIR FAMILIES

USO Mobile is Coming to Pax River!

Date: 22 March 2012

Time: 1000—1200 hours

Location: In front of the library across the street from Bldg 409

Special Guest Appearance: Miss America

Hailing from Kenosha, Wisconsin, Laura Kaeppler was crowned Miss America 2012 on January 14, 2011 on ABC. Since her crowning, she has been traveling the country appearing on numerous national and local television programs, making corporate appearances, and talking about MAO's national platform, Children's Miracle Network Hospitals, her personal platform of *Circles of Support* – *Mentoring Children of Incarcerated Parents*, and focusing on promoting education for young women.

USO Metro promised to send our USO Mobile Canteen to the installation that collected the most number of surveys based upon installation population. We are very excited that Pax River is our winning installation.

For your outstanding efforts we will be onsite with free hotdogs, drinks, chips, and a very special guest appearance from Miss America.
